

Valley Middle- School of STEM

Video Editing with Mr. Podmers, Room TTC Lab

“CHOICE” PROJECT

Using iMovie 10.0.5

Project:

Working by yourself, or with ONE partner, choose one of 3 projects. Sports Highlight Show, News Update Show, or a “Scene It” type trivia game. No longer than 3 minutes, no shorter than 1 minute 30 seconds. You should have “plenty” of video shot by you, but you may use clips, pics, etc. from the internet as well.

Grading:

At least 10 different clips _____/10

Clips are short (usually no longer than 5 seconds) _____/10

At least 2 transitions (at start and end) _____/4

Special Effect: slo-mo, rewind, ff, etc. _____/5

Video editing is clean, flows logically, etc. _____/5

Audio Track from Garage Band _____/5

Audio Track goes well with mood, fades out at end _____/5

Video exported as “file” (MP4 or M4a) & turned in via Google Classroom. 3pts each _____/6

Total _____/50

Daily Points (4 points per day) “Student is on task” (5 days)

Total _____/20

PROJECT TOTAL _____/70 points
